“You understood from the offset how challenging it is to host an event in a working environment & how quickly things can change but adapted to those to make it all work. The feedback has been great and we are delighted with how the event went.

You nailed every detail and everything looked seamless. It was fabulous!”

“Oasis performed a miracle last weekend. The thought, the execution, the interpretation of client requests, the co-ordination, the artistic flare, the ingenious ideas all accumulated to make a night of the birthday girl’s dreams.

No matter the size or the occasion, Oasis should be the only events teams anyone should look to. We cannot recommend them highly enough and just wish we had an excuse to use them again soon because we’re already missing them all”

“Oasis came highly recommended and still managed to exceed our expectations in supporting us to deliver our 3-day wedding weekend.

Dany is creative, highly pragmatic and decisive. In the pre-planning, her experience helped us to pose difficult questions which we may not have considered. With lots of moving parts to manage simultaneously, we needed someone we could trust and be confident in to maintain and deliver our vision.

The Oasis team delivered impeccably, and truly embraced our vision.”
